

Dr Sujoy K Sanjal is based as a **Senior Consultant Neurosurgeon-Neurointerventionist** at the **NH Institute of Neurosciences, Rabindranath Tagore Hospital/Armenian Church Trauma Center, Calcutta, India**. Dr Sanjal did his **MBBS** immediately followed by an **Integrated 5-year Neurosurgical M.Ch** from the **All India Institute of Medical Sciences, New Delhi**, which is the **premier medical institution of India**. He thereafter did extensive **Fellowship Training in the USA/Canada** which made him **India's First Fellowship-trained Vascular-cum-Endovascular Neurosurgeon**. He was awarded the **J Douglas Miller Fellowship in Spine Trauma and Neuro-critical Care** by the **American Association of Neurosurgeons/Congress of Neurological Surgeons**. He was also awarded an **International Paediatric Epilepsy Surgery Fellowship** by the **American Association of Neurosurgeons/Congress of Neurological Surgeons**, which he obtained at the **Harvard Medical School, Boston, USA**. Thereafter, he joined the **NH Institute of Neurosciences, Rabindranath Tagore Hospital, Calcutta, India** in 2007.

Pioneer in Eastern India of:

1. **Deep Brain Stimulation for Advanced Parkinsons Disease**
2. **Endoscopic/Minimal Access Brain and Spine Surgery**
3. **Epilepsy Surgery**
4. **Surgery/Percutaneous Intervention for Trigeminal Neuralgia**
5. **Baclofen pumps** for Spasticity
6. **Endovascular Neurosurgery** (AVM Embolisation, Carotid Stenting, Aneurysm Coiling)

Honours and awards

1. **Invited Faculty on Deep Brain Stimulation for Advanced Parkinsons Disease**
 - A. **World Federation of Neurosurgical Societies (Special Congress), Beijing, China, 2019**
 - B. **World Congress of Neurosurgeons, Istanbul, Turkey, 2017**
 - C. **World Congress of Neurosurgeons, Seoul, South Korea, 2013**
 - D. **2nd International Fujita Bantane Interim Meeting of Neurosurgery, Bali, Indonesia, 2018**
 - E. **Asian Congress of Neurosurgeons, Astana, Kazakhstan 2014**
 - F. **5th International Congress on Minimally Invasive Neurosurgery, Phuket, Thailand, 2019**
2. **Invited Faculty on Cervical Spine Surgery**
 - A. **World Congress of Neurosurgeons, Istanbul, Turkey, 2017**
 - B. **World Spine VIII, Porto, Portugal, 2018**
 - C. **Asian Congress of Neurosurgeons, Surabaya, Indonesia, 2016**
 - D. **Asian Congress Of Neurosurgeons, Dubai, UAE, 2018**
3. **Invited Faculty on Minimal Access Spine Surgery**
 - A. **World Federation of Neurosurgical Societies (Interim meeting), Rome, Italy, 2015**
 - B. **5th WFNS Spine Committee Biennial Conference, Bali, Indonesia, 2018**
 - C. **Spine Surgery in the XXI Century, Serbia, 2018**
 - D. **World Spine VII, Delhi, India, 2016**
 - E. **Asian-Australasian Congress of Neurological Surgeons, Jeju Island, South Korea, 2015**
 - F. **3rd International Congress on Minimally Invasive Neurosurgery, Cairo, Egypt, 2016.**

4. **Invited Faculty on Trigeminal Neuralgia**
 - A. 4th International Congress on Minimally Invasive Neurosurgery, Moscow, Russia, 2018
 - B. 3rd International Congress on Minimally Invasive Neurosurgery, Cairo, Egypt, 2016
 - C. World Congress of Neurosurgeons, Seoul, South Korea, 2013
 - D. Asian Congress of Neurosurgeons, Surabaya, Indonesia, 2016
5. **Invited Faculty on Vascular-Endovascular Neurosurgery for Aneurysms and AVM's**
 - A. International Conference on Cerebrovascular Surgery, Prague Neuroweek, Czech Republic, 2018
 - B. International Conference on Cerebrovascular Surgery, Indonesia, 2014
 - C. World Intracranial Haemorrhage Conference, Granada, Spain, 2019
 - D. 4th International Congress on Minimally Invasive Neurosurgery, Moscow, Russia, 2018
 - E. 3rd International Congress on Minimally Invasive Neurosurgery, Cairo, Egypt, 2016
 - F. Asian Congress of Neurosurgeons, Dubai, UAE, 2018
 - G. World Congress of Neurosurgeons, Istanbul, Turkey, 2017
6. **Invited Faculty, Asian Epilepsy Surgery Congress, 2012 Busan Korea & 2015 Udaipur India**
7. **Best Scientific Paper Award and Highest contributor at the 1st International Congress on Minimally Invasive Neurosurgery, Florence, Italy, 2012.**
8. **Young Neurosurgeon Award** awarded by the **European Society for Stereotactic and Functional Neurosurgery, Vienna, 2004**
9. **J. Douglas Miller Fellowship Award** awarded by the **American Association of Neurological Surgeons and Congress of Neurological Surgeons (AANS/CNS) Section on Neurotrauma and Critical Care, 2005.**
10. **Rotary Ambassadorial Scholarship 2005** awarded by the **Rotary Foundation International (Chosen to be one of 20 candidates from all over the developing world across all disciplines).**
11. **Young Investigator Award** awarded by the **ILAE, International League against Epilepsy, Paris, 2005**
12. **Represented India on "Epilepsy Surgery Scenario in India" at Workshop on Development of Epilepsy Surgery in Asia** organized by the **Asian Section of the International League Against Epilepsy.**
